

NEW ORLEANS COMMUNITY RESOURCE GUIDE

FOR RESISTANCE AND RENEWAL

JULY 2024

Welome!

This community resource guide has been compiled with the intention of increasing public access to services that are free or low-cost in the New Orleans area. Most listings are for services located in Orleans & Jefferson parishes, although select state and nationwide services have also been included.

Listed resources were contacted by phone and asked to verify the information listed. Organizations were specifically and intentionally asked about funding options for uninsured patients, the availability of Spanish translation services, and their ability to provide services for transgender and non-binary patients. Available transgender and non-binary services have been incorporated throughout and can also be found in a dedicated section of this guide.

This guide is a 2024 update based on information compiled by staff and volunteers for the REACH NOLA/Common Ground Health Clinic Community Resource Guide from 2006-14, and working directly from the 2023 edition, which sourced information compiled by volunteers at the Center for Ethical Living & Social Justice Renewal, as well as the Transgender and Gender Non-Conforming NOLA Resource Guide produced by Dr. Jennifer Glick and Dr. Robin Ivester.

This edition has been produced in partnership with Imagine Water Works. as a public service by volunteer community members and is available free of charge to all people.

This guide is available for download on the following websites:

Acknowledgements

Many people did the work of making this edition of the resource guide possible!

Thanks to the entire Imagine Water Works team for partnering on this project and hosting our volunteers so hospitably, to Antigravity and Imagine Water Works for digital distro, and to many New Orleanians committed to community care and harm reduction, including but not limited to: Tucker Barker, Klie Kliebert, Brianna Lentz, Elizabeth Gelvin, Walesa Kanarek, Angelique Thomas, Kyle Devries, everyone who came out to our volunteer call-a-thons, and even more lovely folks who wish to remain anonymous, and probably you.

Finally, love and appreciation to Harriet Burbeck for the cover art. Beauty matters!

About Using This Guide

Most agencies that state they have a sliding scale require proof of income (check stubs, W2 forms, letter from person supporting you and their check stub, etc.). Usually they will require an ID and/or a utility bill to verify your address.

If you have a question about costs, services or eligibility, call ahead.

Free at home HIV testing available via Access Health. See listing in Primary Care Clinics for additional services & locations.

You can request a home-based test three different ways:

1. **Fill out the request form at the bottom of the webpage (<https://accesshealthla.org/service/hivtesting/>).** This is the preferred method because the information you provide will be almost everything we need to get you registered and mail your test kit to you. They will be in touch within 24 hours of you completing the form; or
2. **Email hometest@accesshealthla.org with your name and phone number.** They will be in touch within 24 hours to get you registered; or
3. **Call Access Health Louisiana at the Pythian clinic at (504) 226-2976 and request a home-based HIV test kit.** You will be linked to a testing navigator who will get you registered.

Once you complete your request, you will be registered as an Access Health Louisiana patient and the kit will be mailed to your house or your preferred shipping location. Their test kits can be mailed to residents across southeast Louisiana.

If you have reason to believe that you have had a possible exposure to HIV in the past 72 hours, call Access Health Louisiana at the Pythian Clinic at (504) 226-2976 and ask to see a provider about post-exposure prophylaxis (PEP).

Abortion Services

As of June 2022, in light of the Dobbs vs Jackson Women's Health SCOTUS decision, abortion is completely banned in Louisiana. People seeking abortion care must travel out of state. To find the clinic nearest you, please visit www.ineedana.com or www.abortionfinder.com.

As of May 2024, the nearest states to Louisiana with legal abortion access past 6 weeks include but are not limited to: New Mexico, Illinois, North Carolina, and Virginia. At the time of this publication, there is a 6 week ban in effect in Florida. This may revert in coming months back to a 15 week ban. As new legislation is introduced and implemented, these options are subject to change. Please utilize the INeedAnA or AbortionFinder websites for up-to-date information and to find the provider that works best for you logistically and based on your gestational age. If you are seeking abortion care, we recommend you visit the INeedanA or Abortion Finder website first, select the clinic of your choice, make your appointment, and ask the clinic directly about which funding sources (National Abortion Federation) and travel support networks they work with.

INeedAnA

Operation Restoration (OR) supports women and girls (including transgender people) impacted by incarceration to recognize their full potential, restore their lives, and discover new possibilities. At OR, we focus on advocacy, education, economic mobility, and true economic equity for our staff, clients, and community. OR's long-term goal is to end the incarceration of all women and girls. Our work removes barriers to re-entry and seeks to eliminate financial and societal incentives for incarceration/detention to increase investments in social services, education, housing, and healthcare for all people. OR defines incarceration as confinement in prison, jail, immigrant, youth or military detention, or a deportation facility. Directly impacted women and girls are those that are or have been incarcerated, arrested or are on probation and/or parole.
